## CHAMPAGNE

# Stéphane Coquillet

### **91 Points** | NV Marie Aimer Rosé Brut

Bright orange-pink. Intense cherry, redcurrant and rose aromas and flavors, with a touch of blood orange that gains strength with air. Rich and palate-coating, with impressive finishing thrust and a lingering floral quality. This serious pink Champagne would pair well with a mushroom-based dish or strong cheeses.

### **90 Points** | NV "Carte d'Or" Brut 1er Cru

Light gold. Toasty, mineral-accented aromas of quince, cherry pit and white flowers. Initially taut but aeration allows ripe orchard and citrus fruit and fig flavors to emerge, along with a touch of buttered toast. Closes on a gently spicy note, with good length and subtle smokiness.
